Heirloom Horse Shows

November 14-15th 2020

Covid-19 rules: Full rules will be posted on social media, and at the facility prior to the show so all are aware and prepared. Anyone entering the property must be fever and symptom free and have not been exposed to covid. Mounted riders are not required to wear masks but please respect the safety of show staff and other people by maintaining 6' or more even while mounted. When not mounted, a mask is required unless you are 20' or more from another person. We won't forbid a rider from having both parents come to watch, but ask that all riders and parents obey a show-and-go policy so we have a minimum of spectators on the viewing deck at all times, masked and with social distance from anyone not in their immediate family. We love our equestrian community, and hanging out with you on the viewing deck is a favorite memory from past shows; however, covid has changed the situation, and this is not the time to bring small children or linger to cheer on barn-mates. Come, sign in at the office, then stay in car or outdoors until time to tack up your horse, warm-up, ride, check out of the office and leave with a 'Good luck' text to barn mates. A rider, trainer, groom, parent, or any other person on the grounds may be asked to leave if they refuse to comply with facility rules for covid-19.

Show management and the judge reserve the right to excuse or eliminate from competition any horse or rider exhibiting dangerous behaviors, including, but not limited to, excessive speed, dangerously unbalanced turns, lack of safety in schooling arena or around other horses at the in-gate. A rider exhibiting unsportsman-like behavior toward their horse or other competitors may also be excused or eliminated from competition.

- All riders are required to wear boots and ASTM Certified Helmets at all times while mounted. This includes while mounted bareback.
- Schooling in the indoor arena is during the two times listed only and no jumping is allowed. Schooling in the outdoor arena will be open from 730am until completion of last class.
- No dogs allowed except ADA Service Animals. Therefore, any non-service dog on the grounds will have a \$50 donation to the non-profit Sound Equine Options added to their owner's show bill. Noted exception: There are dogs that belong to the facility owner/manager and are allowed on leash on the property during the show without penalty.
- Stalls and Day Runs will be available but limited; first come, first served with a non-refundable 50% deposit (Refunded in full if event is cancelled).
- Food and beverages may be available to purchase during the horse show dependent on covid-19 restrictions and vendor availability.
